but I didn't think it was so bad that I wouldn't get a grimoir.

我知道自己没有魔法的才能……

I knew that I had no magic power within me.

没想到连魔道书都拿不到——!!

LIKE HELL I'M GIVING UP!!!!

hm!

I'll be right there! Whether it takes me a year or 2 years, I'll keep trying until I get a grimoir!!

Wait for me Juno!

喔喔喔喔喔

fuah ha ha ha ha!! Don't you dare look down on me, fate!

Not too long ago, I was a magicknight.

I was building a name for myself as the chain master LeBuchy.

kuh kuh kuh

Who the hell... are you?

A grimoir can only be used by the person it chose as it's master.

But there are plenty of collectors who would pay a king's ransom for the 4-leaf clover.

But now? I'm just a humble bandit.

Wait RIGHT...

Your legend will end long before it starts.

Although you were chosen by this grimoir, it just happened, so you're no threat

Too bad you had to run into me here.

What the hell do you think you're doing, thief!?

There-ere-ere-ere-ere-ere-ere

I'm glad you know

That's right, I'm that miserable kid!

the pathetic kid that wasn't chosen by a grimoir.

Aster...

hm? Oh, you're...

Would you like to die before you see it for yourself?

Doing twisted things like this is quite normal once you step out into the real world, kid.

阿阿阿阿阿……

Give that back to Juno!

A grimoir is a precious item that was handed down to a single person!

I may have fallen, but it's from the seat of a magicknight.

fallen this low!?

You think I'll run from a guy who's...

……

Aster run!

break a sweat on you.

I won't even

这就是…村子外面的魔道士…

Are all warlocks in the city this powerful?

只是锻炼身体…完全无法与其抗衡…

I might have really trained my body, but it didn't help at all.

怎么会有这么厉害的攻击……！

Dammit, that really hurt.

……

Since you tried so hard, I'll tell you something good.

I can tell exactly how much magic power a person has with these chains.

Thanks for that wonderful display of futility.

This is the reason you can't use magic.

You were probably born that way

And your magic power is absolutely ZERO!

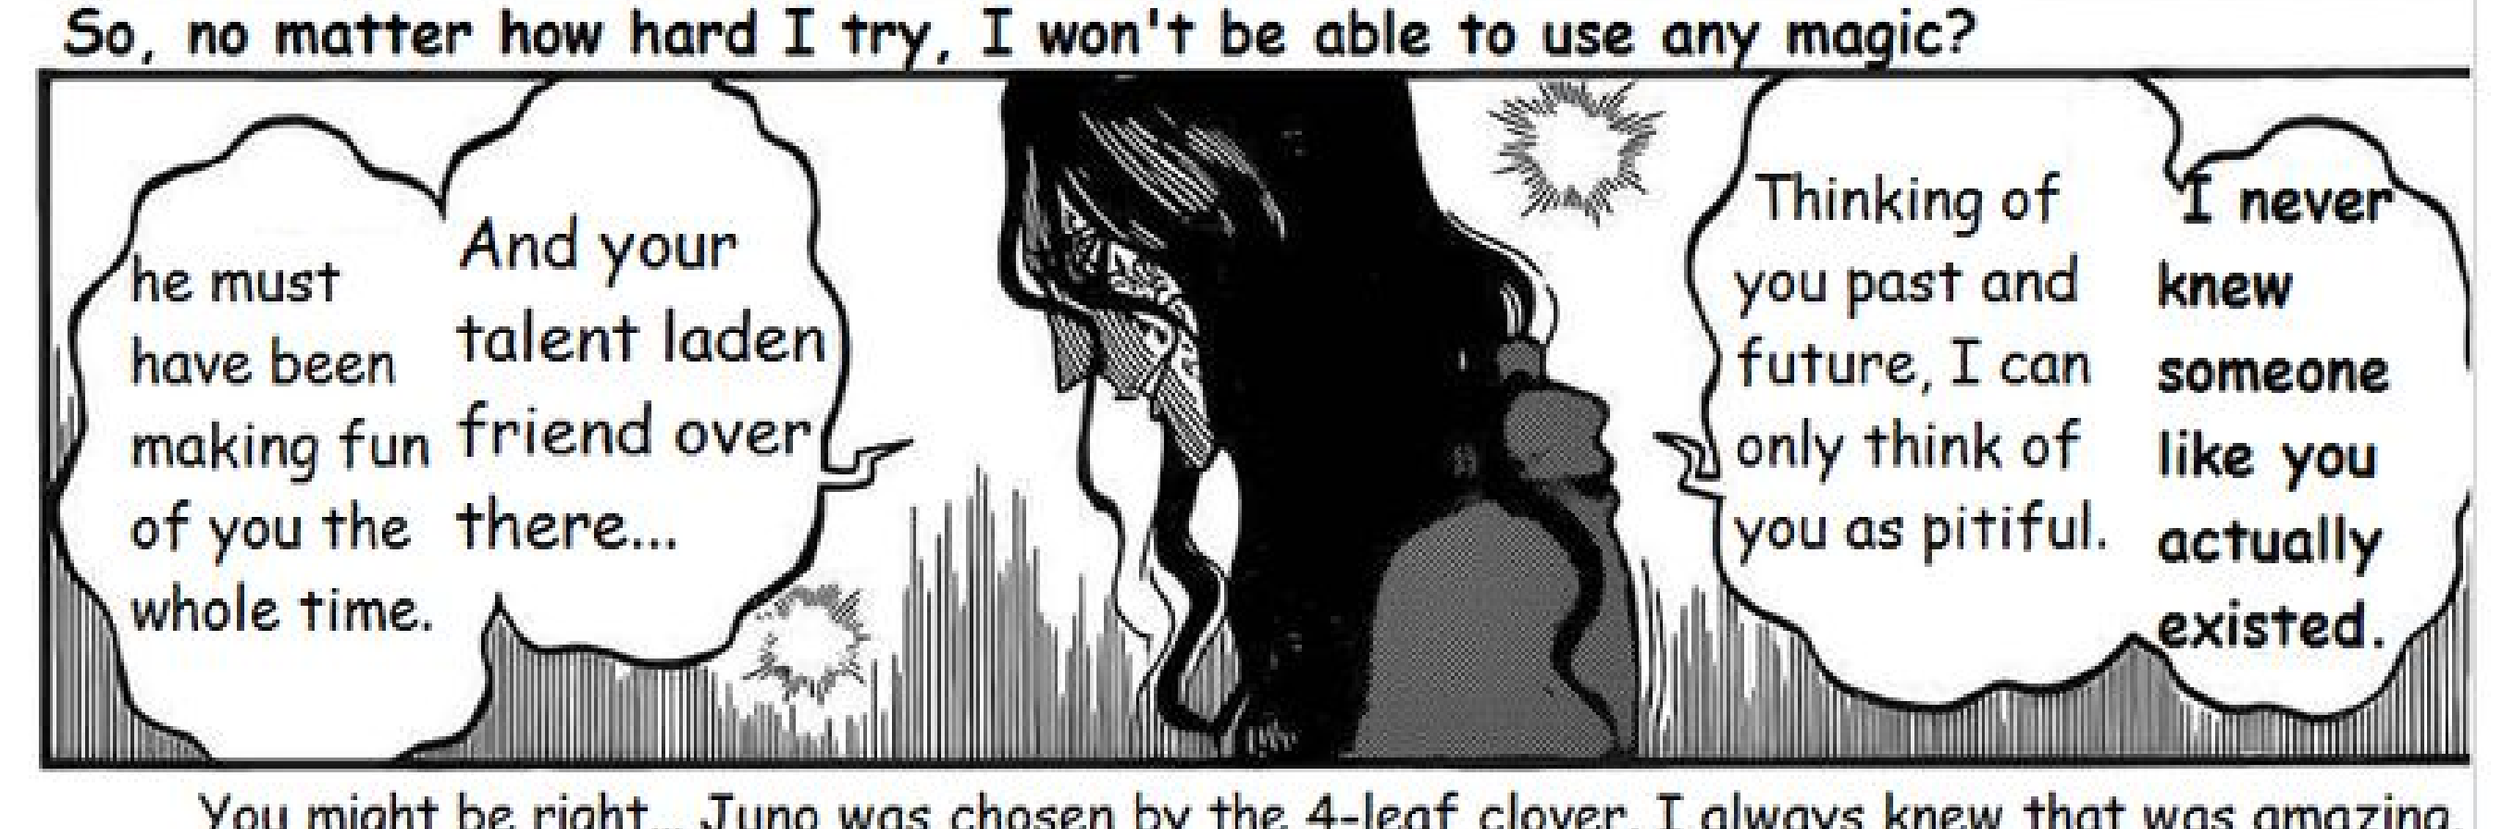
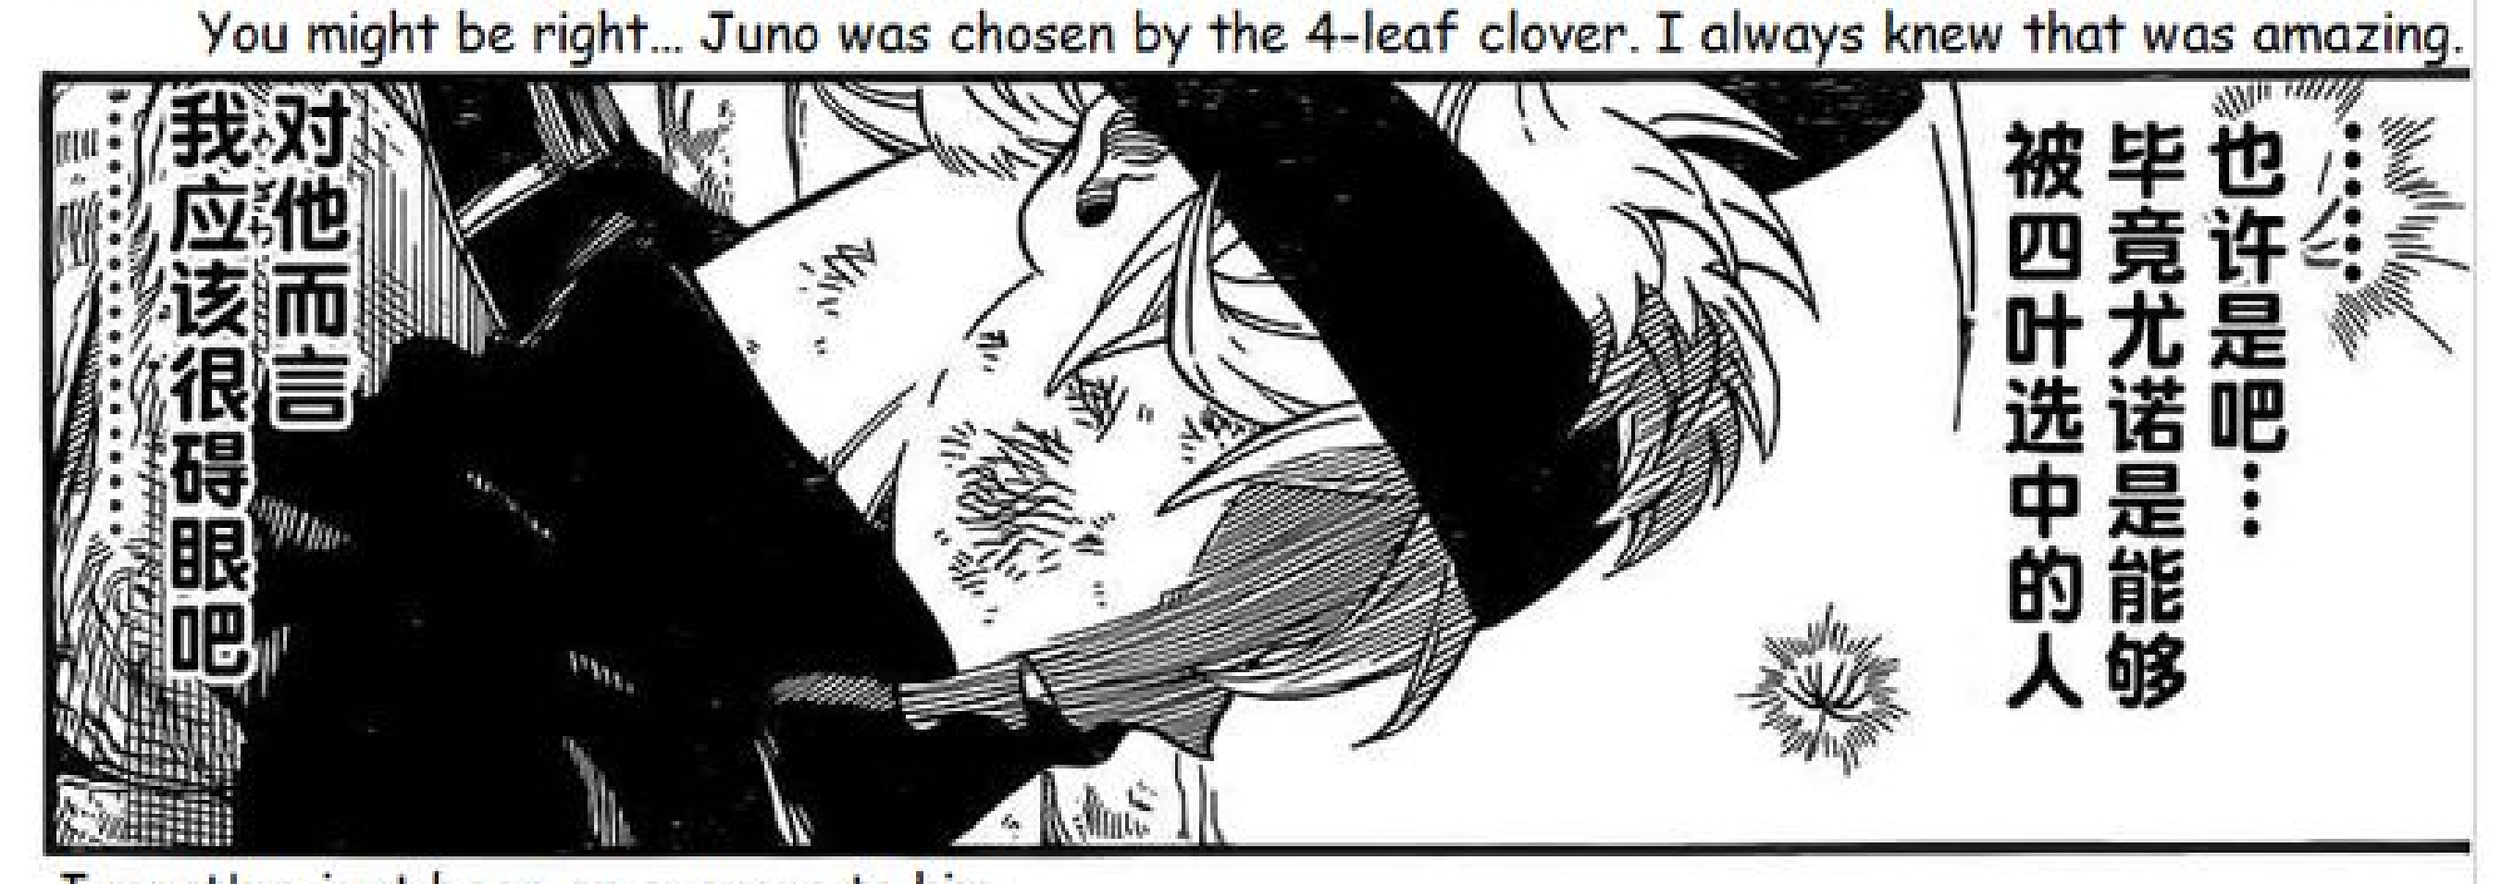
So, no matter how hard I try, I won't be able to use any magic?



You might be right... Juno was chosen by the 4-leaf clover. I always knew that was amazing.



I must've just been an eyesore to him.

Then I'll just go and prove it.

but we can still stand on top of the world.

We may be poor; orphans; and have very little magic power...

Are you alright? Thanks Aster.
